The form is a white rectangular card with a black border, divided into several sections. At the top, there is a photo of a young boy with his arms raised, wearing a striped shirt. To the right of the photo, the text 'LEO, 10 ans' is written in a simple font. A yellow star is in the top right corner. Below the photo and text, there are four rounded rectangular boxes arranged in a 2x2 grid. The top-left box contains two small illustrations of a boy and a girl. The top-right box contains an illustration of a goldfish in a bowl. The bottom-left box contains three illustrations: a boy, a cake, and a child pouring something from a box into a bowl. The bottom-right box contains three illustrations: a crossed-out heart, a person swimming, and a piece of cheese. Arrows from the surrounding text point to these sections.
